⊙ The above said output can be obtained only in ideal Conditions.

OUR COMPANY PROFILE

We are the Original designers & manufacturers of Double stage & Triple Stage automatic-multi mill machineries in India since 1984.

We are guided by the vision to be "The best in the manner in which we operate, best in the products we deliver and best in our value system and ethics".

SPECIALITIES

- * We Manufacture machineries in single and double heads which can be operated at a time even by a single unskilled operator
- * **Foundation is not needed for our machineries**
- * **Cooling system enhances the flavour locking of spices and condiments preserving the quality and colour.**
- * **Variety of items like chilly, coriander, turmeric, masala mix, dry and wet rice, wheat, cereals, animal / poultry feeds, ayurvedic medicines, sea foods, tea leaves, chemical and plastic products can be ground in our machinery**

- Ready availability of spares

Drier (Multi Roaster)

- Uniform mixing • No colour change • Thermo- sealed
- Single Burner • Minimal fuel consumption.

* Conditions :- Machines pictured and specifications detailed in this catalogue may vary from models, equipment and facilities available in your area. Addition of extra features may change figures in this chart. The manufacturer reserves the right to alter any details of specifications and equipment without notice. Accessories shown may not be part of standard equipment. Machine body colour may differ slightly from the printed photos on this catalogue.
