Geeta Industries

<https://www.geetaindia.net/>

We are leading **Manufacturer & Exporter** of surgical & scientific equipment and milk dairy equipment, Surgical Bowl etc.

About Us

Established in the year **1971**, in **Jagadhri (Haryana, India)**, we "**Geeta Industries**" are a leading **Manufacturer, Exporter of Stainless Steel Surgical and Milk Dairy Equipments**. Geeta Industries pioneer the core technique for developing & Mass producing, stainless Steel surgical Equipments, Milk Dairy Equipments, S.S. Agricultural Spray Pumps, Kitchenware utensils or any kind of Hollowares as per customer specification.

Development and production activities are strongly supported by modern machinery. In a house tool room computer aided design and manufacturing facilities enable us to make certified product of B.I.S (Bureau of Indian Standard). Our compound section equipped by a battery of deep drawing press of all type, Punching press, Turning machines, Cutting machines, Argon welding machine (tig & mig both) buffing machine which gives any type of finish. We can handle any type deep drawn (Shallow ware), round or square in shape. Please feel free to send us your sample / drawing / blue prints or even basic idea which you want to implement in Stainless Steel, Aluminium or Brass. We are exporting our products mainly Sri Lanka, France, Bangladesh and Yaman.

Our company is able to succeed in this highly competitive domain under the able leadership and guidance of '**Mr. Gaurav Kumar**' (CEO) & '**Mr. Sunder Lal Saini**' (Partner). He comes with enriched...
